Agenda items

1. The Summer League was a success and the Finals Day was well attended and, aside from one small incident, was enjoyed by all. There was positive feedback.
2. Following the change in rule set to International 8 Ball Rules, there has been quite the discussion regarding shot clocks. This was discussed by the committee and it has been agreed that the 45 second shot clock will remain, with a 5 second countdown as per the rules. The league needs to move with the times, having been stuck in the doldrums for so long. Many teams have embraced the change and are putting things in place to enable the shot clock to be used. There will be no further discussion regarding shot clocks.
3. Use of Social Media. All players are reminded of snpool League General Rule number 19 regarding use of Social Media. Action will be taken against anyone not adhering to these rules in future.
4. Players must be available at the beginning of the frame they are playing and matches must not be played out of team order. When rearranging matches, teams must ensure that there enough players available at the start of the match/frame or frames will have to be forfeited as per the league rules.
5. Singles and Doubles entries remain open and players are encouraged to enter ASAP. The closing date is a deadline not a target!

6. Tim Duffield (Treasurer) reported that we had £2787.79 in the bank.
7. Sponsorship from M&JB Logistic Solutions was still outstanding. Marcus ensured the league that monies would be sent ASAP. Monies remain outstanding.
8. The committee agreed that they would explore the use of Zoom/Teams for the next meeting to encourage a better attendance.

Meeting closed at 8:45pm

Date of Next Meeting: Sunday 29th October, 7:30pm via Zoom
